Documentation & Coding Education

Virtual Training (VT) instructor led courses are applicable to providers, billers, coders and others involved in documentation and coding improvement best practices.

CME Credit Information

The American Association of Family Physicians (AAFP) has approved each education session and deemed it acceptable for up to 1.00 live elective CME credits for full attendance. These sessions are also offered as self-paced eLearning courses for CME credit. For additional information, please refer to the document labeled **CME | Instructions on How to Report CME Credits** located in the **File Repository** area on the bottom of the course landing page in Privia University.
