In order to participate in the Medicare Shared Savings Program (Shared Savings Program) and receive payment under Title XVIII of the Social Security Act as an ACO, **Privia Quality Network Colorado, LLC** operating under the BASIC track beginning at Level A for the first performance year under this Agreement agrees to comply with the provisions of section 1899 of the Social Security Act, Title 42 CFR part 425, and all other applicable provisions of law and regulation. In accordance with 42 CFR § 425.600(a)(4)(i)(B)(2), unless the ACO elects to transition to a higher level of risk and potential reward within the BASIC track's glide path as provided in 42 CFR § 425.226(a)(2)(i), or qualifies for any of the exceptions under 42 CFR § 425.600(a)(4)(i)(B)(2) (ii), (iii), or (iv), the ACO is automatically advanced to the next level of the BASIC track's glide path at the start of each subsequent performance year of the agreement period, if a higher level of risk and potential reward is available under the BASIC track.

In accordance with 42 CFR § 425.600(a)(4)(i)(B)(2)(vii), an ACO in Level A or in Level B may elect to remain in the same level of the BASIC track's glide path in which it participates during the performance year beginning January 1, 2023, (PY 2023), for the remainder of the agreement period, unless the ACO elects to transition to a higher level of risk and potential reward within the BASIC track's glide path as provided in 42 CFR § 425.226(a)(2)(i). If the ACO does not elect to remain under Level A or Level B, for the subsequent performance year, the ACO is automatically advanced to the next level of the BASIC track's glide path, unless the ACO elects to transition to a higher level of risk and potential reward within the BASIC track's glide path.

This agreement, upon submission by the ACO of acceptable U.S. Department of Health and Human Services Assurance of Compliance with Title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, section 1557 of the Patient Protection and Affordable Care Act, and federal conscience and anti-discrimination laws, and upon CMS' approval, shall be binding on the ACO.
